Emerging Oil Management

Ceresco Dam – MP 5.75 RDB
12.5.2012

Spontaneous sheen and tar globules
Sheen response conducted

Emerging Oil Management

Ceresco Dam – Control Point

12.7.2012

Spontaneous sheen and tar globules

Emerging Oil Management

Ceresco Dam MP - 5.75 RDB

12.7.2012

Boat-generated sheen and tar globules

Sheen response conducted

Emerging Oil Management

Ceresco Dam MP - 5.75 RDB

12.7.2012

Sheen response activities

Emerging Oil Management

Ceresco Dam MP - 5.63 RDB

12.10.2012

Spontaneous sheen and tar globules

Sheen response conducted

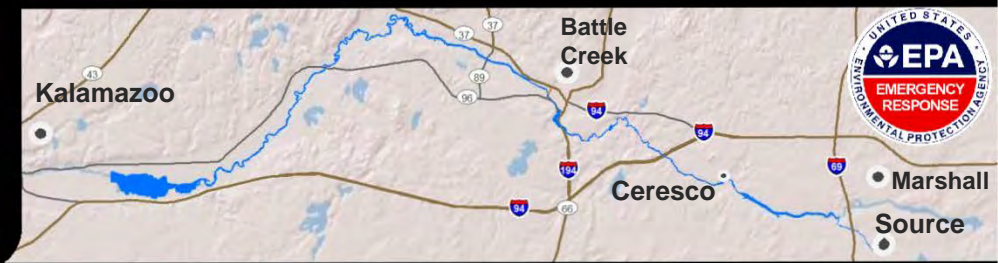

Emerging Oil Management

MP 21.5

12.6.2012

Routine sheen management activities

Emerging Oil Management

MP 28.25 RDB

12.7.2012

Boat-generated sheen and tar globules

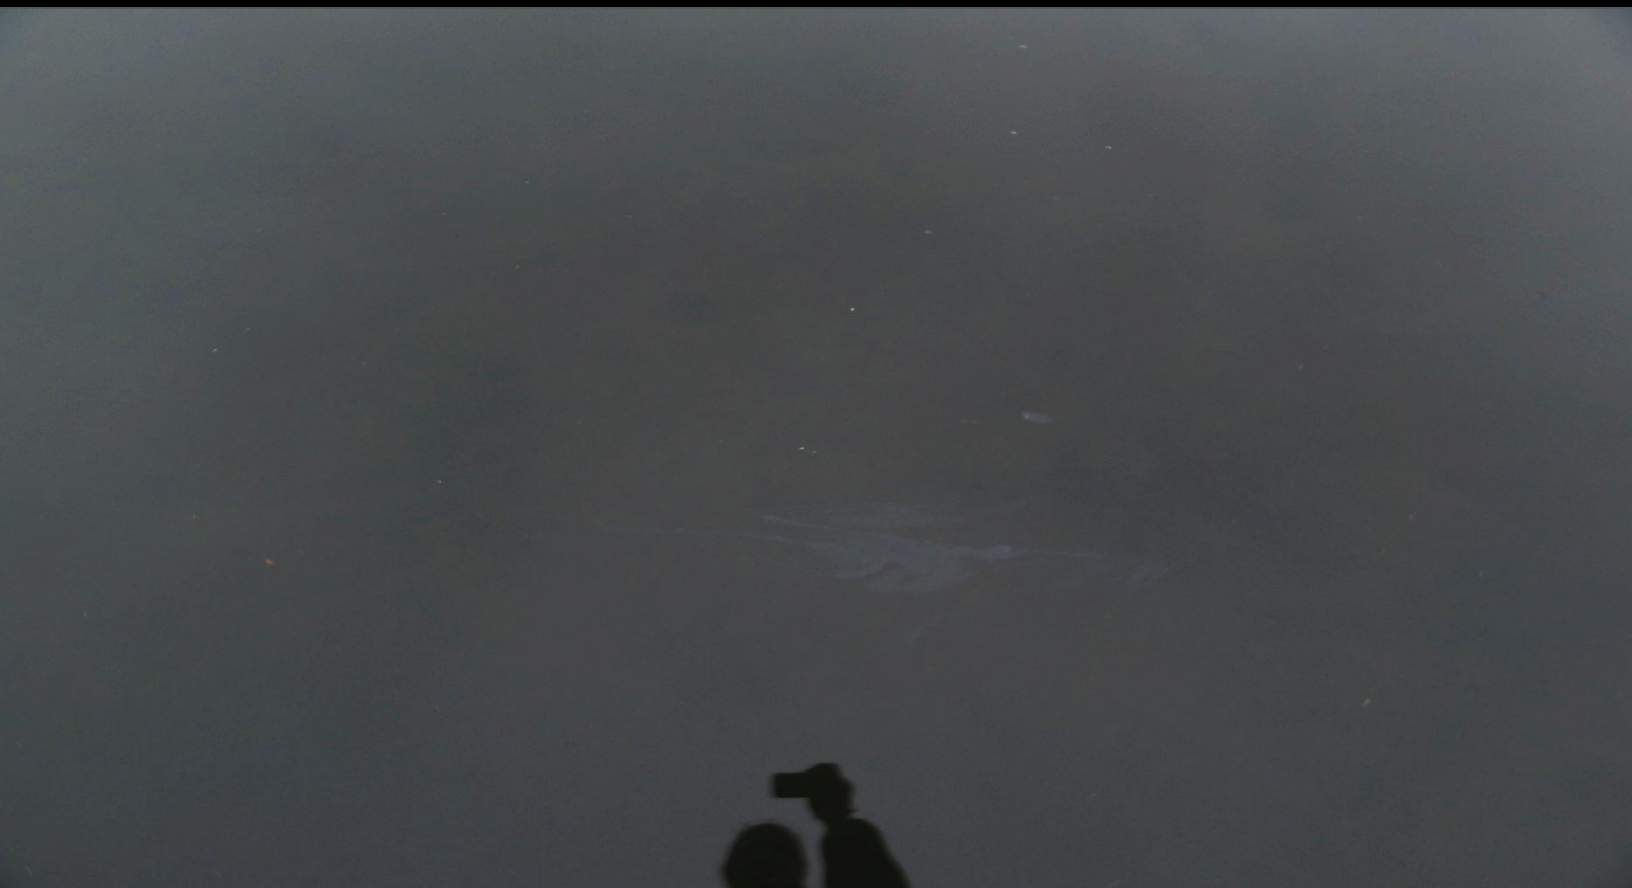

Sheen response requested

Emerging Oil Management

Morrow Lake – South Cove
12.7.2012

Spontaneous sheen and tar globules
Sheen response conducted

Emerging Oil Management

Morrow Lake – North Cove
12.7.2012

Spontaneous sheen and tar globules
Sheen response conducted
